

2025 Elder Rights Summit Sponsorship Opportunity

Dear community partners,

On behalf of the Long-Term Care Ombudsman Program at the Area 1 Agency on Aging, I am pleased to extend an exciting opportunity for you to become a sponsor of the **2025 Elder Rights Summit**, formerly the **Elder Abuse Awareness Conference**. The Summit will be held on **June 11th & 12th, 2025** at the **Sequoia Conference Center** in Eureka, California, and will bring together advocates, professionals, and community leaders dedicated to protecting the rights and dignity of older adults in Humboldt County and the surrounding areas.

The **Elder Rights Summit** serves as platform for discussions on policy, advocacy, and solutions to the challenges faced by the aging population. The event will feature expert presentations, workshops, and panel discussions on key issues such as elder abuse, homelessness, financial fraud, healthcare access, and local tribal needs and services. In addition, attendees will have opportunities to participate in networking events and learn about resources available to seniors through local service providers.

We are reaching out to organizations like yours to support this important event through sponsorship. Sponsorship offers visibility among a diverse group of advocates, service providers, and senior care professionals in Humboldt County, and the opportunity to demonstrate your organization's commitment to the protection of older adults in our community.

We offer several sponsorship levels, as outlined in the attached sponsorship form, and would be happy to discuss custom options to fit your organization's needs.

We would be honored to partner with you for this impactful event and help create lasting change for older adults in our community. If you have any questions or would like further details about the Summit, please don't hesitate to contact me directly. You can also visit a1aa.org/ElderRightsSummit for more information!

Sincerely,

Andrea Bruhnke
